ENVIRONMENT TO
BUILD ON CONFIDENCE**

**DEVELOP
TRANSFERABLE
SKILLS FOR FUTURE
AMBITIONS**

**GAIN A
QUALIFICATION
IN TEAMWORK,
EMPLOYABILITY AND
COMMUNITY SKILLS**

OVERVIEW

A 12 week course focusing on teamwork activities, gaining confidence, increased communication and transferable skills for employment.

The 'Team' programme is a positive step to future progression. Work on an operational fire station as the programme is delivered by the Fire service and active firefighters. Practical activities and involvement in community safety and an opportunity to become an ambassador for the Fire Service with a chance to meet the Chief Fire Officer.

WEEK 1 Induction week and meeting others on the team

WEEK 2 Residential experience away to try new outdoor activities and build your confidence

WEEK 3-5 Community project to learn practical skills and improve community safety

WEEK 6 Crash and Burn course to increase your resilience

WEEK 7-8 Work placement to gain more experience or try a type of work that you are interested in

WEEK 9 Planning for the future with application support, CV writing and interview practice

WEEK 10-11 Team challenge to use all your skills to support other people at risk from a fire service perspective

WEEK 12 Final celebration and a presentation of skills you have developed and everything you have achieved
